True or False:

Is this Contest Judging Mentorship session for contest judges only?

Presented by:

Irene Kaye, ACB, ALB

President, Phoenix-Toronto Toastmasters
District 60 Division G Area 63 Governor

Answer = False !

The Mentorship Session on Judging can benefit everyone, unless, of course, you are not planning to give a speech, evaluate, be a contestant or a judge in the future.

- Judges** - Review Judging Criteria
- Contestants** - Polish your speech! - Find out how the judges are scoring you!
- Speakers / Evaluators** - Now who doesn't need a review every now and again?

Catch the Phoenix spirit!

See you there - September 15 immediately following our regular meeting from 7 - 9.
