

Fellow Toastmasters,

How many of you have joined Toastmasters in order to change your life for better?

You must have realized that simply participating in club meetings for 2 hours, every week, with your 20 colleagues, leads to a positive change. That is the power of ***“People Helping People”***.

Now just imagine how much more enriching that experience would be ...if you were supported by 200 plus Toastmasters, for two plus days, attending and participating in all the Toastmasters activities, learning from the educational workshops, listening to humorous speeches by Champion contestants and thinking along with the Masters of Table Topics.

For the recently joined Toastmasters, this conference brings an opportunity to learn from Advanced Toastmasters and have dinner discussions with Distinguished Toastmasters. It would be a great sensation meeting members from different clubs, sharing their experiences and making new friends.

For the experienced Toastmasters, this is an opportunity to attend the International Director’s talk, the World Champion’s workshop. You may like to perfect your skills by practicing, sharing your expertise and knowledge, and making a positive difference. Remember, Toastmasters keep growing on the spirit of ***“People Helping People”***.

Friends, that is what the Fall-2008 conference brings for all of us... and, of course, it is an event to celebrate glorious 50 years of District 60.

The conference is not just about being studios. Between Friday to Sunday, there are many entertainment programs specially arranged for you to enjoy and have fun. And, as 2008 is the 50th anniversary year for District 60 and the fall conference will be the 1st conference after reformation in July, we have more reasons to celebrate too.

There are many opportunities to be a proud sponsor by contributing financially to promote your own or your employer’s business. Contact us, if you or someone you know, might be interested in being a sponsor. Also there are opportunities for you to get involved by volunteering your time and efforts.

There would be Toastmasters from all 7 divisions across district 60.

...and I, On behalf of District 60 Toastmasters, invite you all to join us, for our Fall-2008 Conference and be part of the Golden Jubilee Celebrations.

The Fall-2008 conference will take place from **November 14-16** at **Holiday Inn Hotel, Oshawa.**

In order to ensure your attendance at the Fall conference, register online, and benefit from the **Special Conference Pricing: only \$ 185 for the full conference package**. Visit the Dist. 60 website and click on the link for Fall-2008 conference and follow the directions for online registration.

If interested, please register early as there is a limit on number of attendees, subject to availability of room. And on a later date, even the Conference price will further go up. Please convey this message to all the Toastmasters in your club, area or division and those in your contact so that they also can benefit.

We look forward to meeting you all at Fall-2008 conference, at Holiday Inn-Oshawa, November 14-16.

Cheers,
