

Bob Summers Radio and Vocal Variety

Tuesday December 11, 2007

7pm - 9pm

This is a **FREE** seminar. Seating is limited.

To reserve your spot please **RSVP** to tmlidia@gmail.com

Vocal Variety rules the air waves.

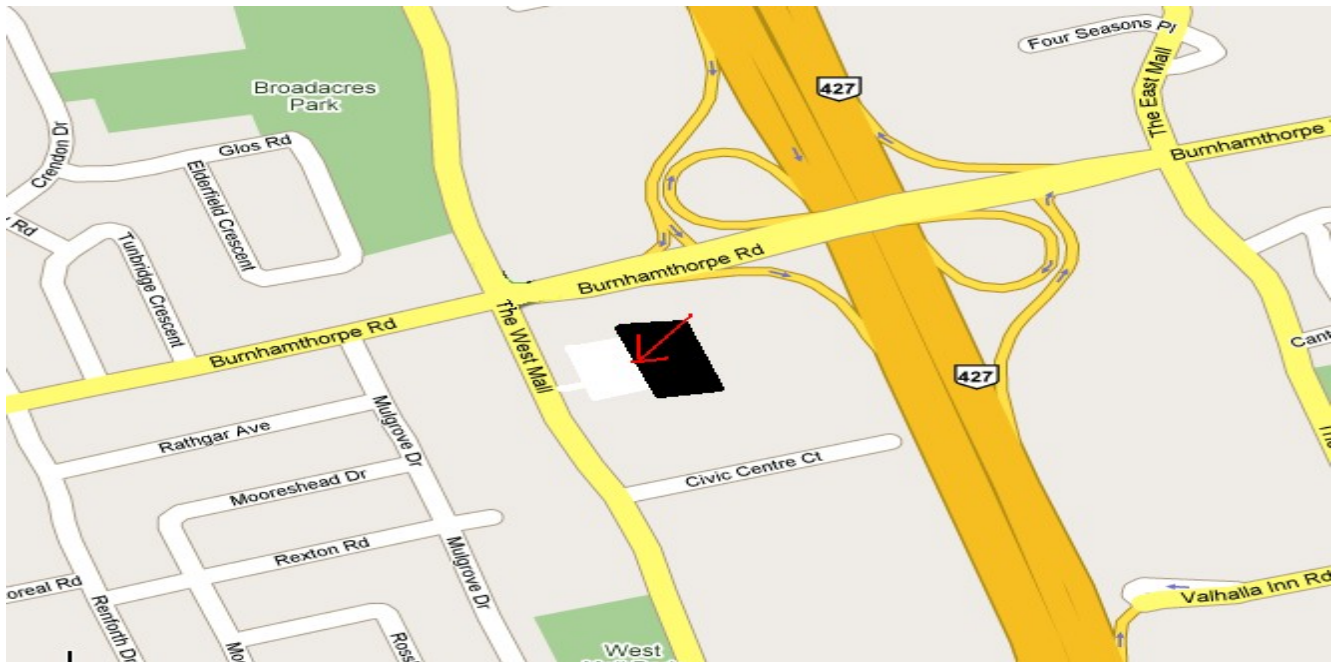

On the air it's just you, your voice, and the audience. Vocal variety bridges the gap between you and your audience. It captures their attention and brings them along for the ride.

Listen and Learn as Bob demonstrates tips learned from his radio career.

Watch as Bob gives an interactive seminar on Vocal Variety.
