 - Assignment Review
 - Secretary: Larry
 - Timer: Marcia
 - General Evaluator: Sandy
 - Ah/Word Counter/Grammarian: Bing
 - Quizmaster: Debbie
 - Humourmaster: Frank

WORD OF EVENING – **elucidate** \ih-LOO-suh-dayt\ verb 1 : to make lucid especially by explanation or analysis *2 : to give a clarifying explanation Example sentence: Mary was asked to elucidate a bit for those in the audience who weren't up-to-date on the latest research.

Did you know? To "elucidate" is to make something clear that was formerly murky or confusing -- and it is perfectly clear how the modern term got that meaning.

"Elucidate" traces to the Latin term "lucidus," which means "lucid." "to shine." So "elucidating" can be thought of as the figurative equivalent of shining a light on something to make it easier to see.

- 7:05 Toastmaster Tips: James

Quote of the Evening

"The best way to cheer yourself up is to try to cheer somebody else up"

Mark Twain
